## OVERVIEW:

This summer's 9-hole disc golf course is perfect for first-time disc golfers and families looking to enjoy a fun, casual game on the mountain. Located on the lower Round Up terrain beneath the Arizona Gondola, the course features nine short putting holes in an easy-to-follow layout near Agassiz Lodge. Players can enjoy a quick round while taking in the cool mountain air and scenic surroundings without the longer distances and elevation changes found on the 18-hole course. Players should allow approximately 30-45 minutes to complete the course.
